

ACCA PATROL RECEIVES NATION-WIDE HONOR

Selected by Imperial Potentate Frederick R. Smith as His Escort at Seattle Convention.

WEST WILL KNOW "RICHMOND"

City Will Be Uniquely and Extensively Advertised by Shriners on Western Tour—Bazaar in December to Help Raise Funds.

Nation-wide distinction will be given the members of Acca Temple, when in July next the patrol becomes the personal escort of Imperial Potentate Frederick R. Smith during the Seattle convention of the A. A. O. N. E. S. Upon his recent visit to Acca Temple, Imperial Potentate Smith viewed with interest the splendid work of Acca Temple, and before taking his departure announced that he would appoint Acca Patrol his personal escort during the big convention. The announcement not only delighted the individual members of the patrol, but caused each member of Acca Temple to give his best efforts towards sending a splendid Richmond delegation to Seattle.

Acca Temple, accompanied by Acca Patrol and Acca Band, will take a swing through the Northern and Western sections of the country on its way to and from Seattle. The Richmond Shriners will pull off stunts in several of the Western cities similar to the pleasant affairs held in this city last June as the California, Pennsylvania, New York and other Shriners passed through on their way to Atlanta. "It will be 'Richmond' everywhere we go," said a prominent Shriner yesterday in discussing the forthcoming itinerary of Acca Temple. "As the Californians made us feel the warmth of the California sun when they visited us, we will make the people of the cities we visit wish they could reside in Richmond and in Virginia, for we will carry along proof that Virginia is the best State that banks in the Southern sun," added another Shriner, as he outlined the trip. Stops will be made at Chicago, St. Paul, Glacier Park, Lake Louise, Vancouver and Seattle.

RICHMOND SHRINERS TO TRAVEL BY SPECIAL TRAIN

At the close of the convention on July 16, the Richmond Shriners will go to Portland, thence to San Francisco, Los Angeles, through the Grand Canyon, to Denver, Kansas City, St. Louis, Cincinnati and then to Richmond. They will travel on one solid train, which will actually be a "hotel on wheels." Besides the Pullman cars, there will be a club car, and there will be every convenience for the travelers on their long journey over the Western roads. The local Shriners have taken many a novice over the "hot sands of Sahara," and their Western brethren are preparing to give them a warm reception in every city.

Imperial Potentate G. Jeter Jones and other officials of Acca Temple are busy arranging the details for the Western trip, upon which they will place the city of Richmond first in their minds. John E. Rose, Jr., captain of Acca Patrol, assisted by Edwin M. Thomas, first lieutenant; Dr. J. Palmer Bright, second lieutenant; John G. Kolbe and E. Charles Kohler, are working hard to have Richmond fittingly represented on the tour. Acca Temple will give a bazaar under the auspices of Acca Patrol on December 7 to 12, for the purpose of raising the necessary funds. This bazaar will be a society event of the city, and there will be made booths, elaborately decorated and presided over by women in fancy costumes. Dancing will follow each night's entertainment.

PATRONESSES OF BAZAAR

Joseph White, James H. Price, Aaron Jacobs, James T. Hill, John Kolbe and other members of Acca Temple have been in communication with Nathan Simon, and just what will be sprung at the bazaar remains to be seen. It is known that Mr. Simon carried off the silver cup at the National Tailors' Convention for his success in arranging entertainment, and he will give the Shriners all of his valuable tips as well as services.

The following are among the patronesses of the December bazaar: Mrs. Sam Cohen, Mrs. J. M. Hill, Mrs. Grace Rogers, Mrs. E. Thomas, Mrs. B. C. Kohler, Mrs. Howell Weisiger, Mrs. J. T. Palmatary, Mrs. J. F. Leonard, Mrs. C. J. Hillips, Mrs. Thomas Whitsett, Mrs. Benick Shelton, Mrs. Thomas B. McAdams, Mrs. Kirk Matheys, Mrs. G. Jeter Jones, Mrs. C. L. SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to flush kidneys and neutralize irritating acids.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water is burning, and with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they control urination. While it is extremely annoying and sometimes very painful, it is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast. Continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effective little water drink, which quickly relieves bladder trouble.—Adv.

WOMAN SHERLOCK MAKES RECORD FOR CONVICTIONS

Inspector for State Bureau of Labor Turn Up in Unexpected Places and Carry on Prosecutions.

Factory Inspector Lillie Barbour, the petticoated Sherlock of the State Department of Labor, is scoring a record for ferreting out the sort of evidence that secures convictions when her cases are brought to court that must be the envy of the masculine agents of the department. Miss Barbour's percentage of convictions in court is very close to 100 per cent.

Like other inspectors of the department, Miss Barbour jumps from one end of the State to another, turning up unexpectedly in the cities and towns in which she pursues her investigations. But the results obtained indicate that she has secured some advance knowledge of violations of the State labor laws before she begins her quest for evidence in each place. Two days ago the headquarters office of the department here had information of her

STOMACH FINE! INDIGESTION, GAS, SOURNESS GONE—PAPE'S DIAPEPSIN

In five minutes! No stomach misery, heartburn, gases or dyspepsia.

"Really does" put bad stomachs in order—"Really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that's just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath sour; tongue coated; your insides filled

city. The cases will be tried in the Police Court at Harrisonburg later in the month.

Nine individuals and firms are accused by Miss Barbour of working their employees more than the ten hours a day allotted by law as the maximum work-day. They are: the City 5 and 10-Cent Store, J. S. Praval, manager; Miss J. A. Carver, Miss L. H. Cary, R. Bloom, Herman Wise's Sons, Inc.; W. A. Hoser, Joseph Noy's Sons, Inc.; Isaman Cash Bargain Store, and B. Noy & Son.

Four firms are charged with employing at manual labor children under the legal minimum age, as follows: Joe Bulkholder & Co., J. G. Haldeman & Bros., City Produce Exchange, H. H. Weaver, manager, and the Harrisonburg Poultry and Egg Company, W. H. Van Pelt, manager.

The report of Inspector J. B. Cline, dated on a batch of cases prosecuted by him at Pulaski, was received yesterday. These business concerns were found guilty of violating the State sanitary laws, fined and given sixty days in which to conform with the law's requirements: The UMBERGER Mercantile Company, Pulaski 5 and 10-Cent Store, A. D. Calfee, manager; Singer Sewing Machine Company, Variety 5 and 10-Cent Store, E. F. Miller, manager; Appalachian Power Company, Pulaski 5 and 10-Cent Store, E. F. Miller, manager; and the Southwest Times Publishing Company.

Four convictions in ten-hour law

cases were obtained by Inspector Cline at Pulaski, but all of the defendants were permitted to escape the fine prescribed by law, the trial magistrate imposing upon each only the costs in the case. They are: Hane & Hall, Variety 5 and 10-Cent Store, Mrs. V. F. Southern and Miss L. A. Emmart.

Gentlemen:--

My stomach troubles me nearly. The doctors say that it is gastritis. My limbs ache and pain especially about the joints, just like rheumatism. The winters here are very hard and cold. Peruna helps my stomach at once. It seems to help the pains in my joints. I have been disappointed so many times with other remedies, and relieved so many times with Peruna, that I have come to believe that there is no other remedy for me. I thank you for your kind letters of advice. They have come to me in times of great discouragement and always been a consolation. I shall never forget your kindness and the help received from Peruna.

Very sincerely,
Mrs. Jane Moore
